Wildwood Playground Project

www.playwildwood.ca

The Need

Wildwood School, with nearly 300 students, relies on a shared, city-owned playground that is inaccessible, outdated and serves only a small portion of the 8300 Wildwood community members. As the population increases, an upgraded and fully accessible playground is urgently needed.

70% of Wildwood residents live in multi-unit housing, relying on Wildwood Park as a ***communal backyard***.

Wildwood ***students with physical disabilities are currently excluded*** from outdoor play with their friends and peers.

A planned housing development for ***First Nations & Metis families*** will immediately increase park usage.

The Solution

The Wildwood Playground Project aims to create an accessible, inclusive, and engaging hub for play, learning, and connection in Wildwood Park. Designed for children and families of the Wildwood school and community, it will reflect the diversity of the neighbourhood, fill a critical gap in recreational infrastructure, and foster connection, activity, and growth for all.

Outdoor Learning
A flexible open-air classroom & native plant garden that fosters ***inquiry***, ***environmental stewardship*** and ***community***.

Junior Play Area
Built for ***accessibility*** and ***inclusivity***, supporting a wide range of developmental needs.

Senior Play Area
Equipped with structures that challenge and ***encourage physical activity*** among older students.

Sport Court
A versatile outdoor sport surface that expands opportunities for ***team-building*** and ***community events***.

Budget Details

The preliminary budget to accommodate Saskatoon Public School Division & CSA standards is **$660,000.00.**

$55,000.00 - Outdoor Learning & Green Spaces
$268,000.00 - Accessible Junior Playground
$225,000.00 - Senior Playground
$110,000.00 - Sport Court

Timeline Goals

Summer 2026: Outdoor Learning Centre
Summer 2027: Junior Playground
Summer 2028: Senior Playground
Summer 2029: Sport Court

In Saskatchewan, donations over $200 earn a 43.5% tax credit (combined federal & provincial) and donations under $200 earn 25.5%.
